OBJECTIVE

To become your coffee partner! Do you want coffee that's mind-blowingly delicious? Do you want a company who invests in training your employees? Do you want a coffee partner that stays on top of your equipment maintenance? Do you want all your coffee for free? Well, look no further! (Totally kidding about that free coffee bit).

QUALIFICATIONS

- Farm-direct coffee: sourced primarily from our owner's family farms in Brazil, as well as cooperatives & other relationship-based farms in places like Guatemala, Nicaragua, Ecuador, Peru & more.
- Over 100 years' experience farming coffee! Family-run coffee farms established in the 1890s in the mountainous regions of Brazil.
- 4 years roasting on the Loring Kestrel, the most energy-efficient roaster on the market.
- 12 years' experience as a wholesale vendor for restaurants, cafés, catering companies, breakfast houses, wineries, bars, grocery stores, & bakeries.
- Organic certified handling facility by Oregon Tilth
- Oregon's First B Corp Certified coffee roaster
